

Welcome To your
Registered Agent service!

Congrats on forming your LLC! 🎉🎊

Now, let's introduce you to our Registered Agent—**Entity Protect Registered Agent Services**, a Tailor Brands company.

What is a Registered Agent?

A Registered Agent is a legal requirement in all 50 states. It serves as your LLC's official address for receiving important documents.

As your Registered Agent, we'll handle these documents for you so you never miss a legal notice or compliance update. That way, you can focus on growing your business stress-free.

What to expect with our Registered Agent service:

- ✓ All time-sensitive government paperwork is received and managed on your behalf.
- ✓ Legal notices are handled privately, keeping your business affairs discreet.
- ✓ Stay compliant without worrying about sick days or time off.
- ✓ Your name and business address remain private and off public registered agent records.
- ✓ Your business stays protected from overwhelming spam mail.

The types of official documents we handle for you:

Service of Process	Legal notifications or lawsuit documents.
Legal Mail	Government notices or official court documents.
High Priority Notices	Urgent messages that need your immediate attention.
Business Filing Notices	Updates and reminders about filing your business mandatory reports.
State Compliance Documents	Necessary to keep your LLC in good standing.
Non-Scannable Items	Some documents or packages are too big to scan. We'll ship them to your address for a fee.

Receiving a document

Once a legal document arrives, we'll scan it and email it to you with clear, actionable next steps, if necessary.

Your mail is always available online. You can access it 24/7 in the Documents section of your LLC Dashboard.
